

HG Junior pupils confidently read out loud to Kindergarten kids in English

Hi, we are Alma, Eliah, Jan, and Maria, pupils in Ms Seinsche's English class (6b)!
Let us tell you about an English reading cooperation we started with St. Michael Kindergarten!
We planned our own project to present the famous book *The Very Hungry Caterpillar* to 3-5 year old kids. One of our small groups didn't know any English, so we taught them the new words of weekdays, fruits and numbers. The other one was very talkative, because they also speak some English in their homes. Everyone got especially excited when they made colourful paper caterpillars and painted postcards to take home. All in all we enjoyed our first teaching experience very much! Maybe our pupils would like to become HG pupils one day? :)
Special thanks to the warm-hearted kindergarten teacher Moni, and Ms Hille-Coates (Begabungsförderung, cheerful walk there, pictures :))
